

# Feral Hog and Nuisance Species Management Workshop

Thursday, November 7, 2013

9am—3pm

Tri-County Electric

6437 Old State Road, St. Matthews

Join experts Charles Ruth and Jay Butfiloski from the SC Department of Natural Resources, Noel Myers from the USDA-Animal and Plant Health Inspection Service, and local wildlife control operator Dan Phillips (All Things Wild) to learn about the biology, regulations, and management options for several nuisance wildlife species. After lunch, Jager Pro Hog Control Systems from Columbus, GA will conduct a demonstration. Species covered will include feral hogs, coyotes, armadillos, beavers, and others.
